

Auburn University Social Science Education Pre-Teaching Practicum Experience

AU Student Name _____

Signature of Mentor Teacher: _____ Date: _____
 (at the end of the lab. experience)

Activities Guide: The mentor teacher and AU student will determine which other activities are included in the laboratory experience. A total of at least 3 activities should be completed, but more are desirable. Mentors, please assign as many activities as you think will be helpful to you and your students. The mentor teacher will evaluate performance in each activity [E = Exemplary; C= Competent; S = Satisfactory; U = Unsatisfactory]. All lab activities must be completed at a "satisfactory" level or better. Mentors, please initial each activity when completed.
