Trade theory

The fixed factor proportions model of production and trade, *Keio Economic Studies* (2011)

Stolper-Samuelson production box, Chapter 40 in *Famous Figures in Economics*, edited by Peter Lloyd and Marc Blaug (2010) Edward Elgar Publishers

Breaks in the chain of comparative advantage, with Kwan Choi, *International Review of Economics and Finance* (2009) 346-8

Bilateral factor abundance and intensity with many factors, products, and countries, with Dajun Tuo, *The CJU Journal of Business and Economics* (2009) 6-16

Endogenous trade and factor proportions production, *International Journal of Economic Research* (2007) 171-7

General equilibrium production with constant elasticity of substitution, with Hugo Toledo, *Keio Economic Studies* (2007) 27-36

An empirical measure of factor intensity when there are many factors and products, *The International Trade Journal* (2007) 109-19

A distance measure of factor abundance with many factors and many countries, with Myeongwoo Kang, Mostafa Malki, and Farhad Rassekh *International Review of Economics and Finance* (2007) 287-99

Aggregation and applied trade theory, *Journal of Economic Integration* (2005) 604-12

Duopoly quotas and relative import quality, with Randy Beard *International Review of Economics and Finance* (2007) 275-81

Factor intensity as Euclidean distance, *Keio Economic Studies* (2003) 1-7

Robustness of the Stolper-Samuelson factor intensity price link, Chapter 3 in *Handbook of International Trade* edited by Kwan Choi (2003) Blackwell

Price taking monopolies in small open economies, *Open Economies Review* (2002) 205-9

Measuring factor abundance across many factors and many countries, with Farhad Rassekh, *Open Economies Review* (2002) 237-49

Definitions of factor abundance and the factor content of trade, *Open Economies Review* (1999) 385-93

Production and the trade balance in a small open economy, *Journal of Economic Integration* (1999) 432-41

Micro and macro convergence: Factor price equalization and per capita income, with Farhad Rassekh *Pacific Economic Review* (1998) 3-11

Production with two factors and many goods: Large firms in a small open economy, *International Economic Journal* (1998) 93-102

Global sensitivity of neoclassical and factor proportions models to production technology, with Jon Ford, *International Economic Journal* (1997) 61-74

International capital and nontraded goods in the long run, *International Review of Economics and Finance* (1997) 379-90

International differences in production functions and factor price equalization, *Keio Economic Studies* (1997) 43-54

Quotas, quality, and output in an international duopoly, with Randy Beard and George Sweeney, *Journal of Economic Integration* (1997) 180-205

Factor price equalization: Theory and evidence, with Farhad Rassekh, *Journal of Economic Integration* (1993) 1-32

Production and trade with international capital movement and payments, *Southern Economic Journal* (1992) 743-9

Variable employment and income in general equilibrium, *Southern Economic Journal* (1989) 679-83

Toward a theory of free trade zones, with Jafar Alavi, *International Trade Journal* (1988) 203-17

A review of advancements in the general equilibrium theory of production and trade, *Keio Economic Studies* (1987) 43-62

International migration, non-traded goods, and economic welfare in the source country: A comment, *Journal of Development Economics* (1984) 321-4

Factor migration and income redistribution in international trade, *Keio Economic Studies* (1983) 65-70

Trade theory with three factors of production

International trade with three factors, goods, or countries, *Keio Economics Studies* (2001) 43-52

Do oil tariffs lower wages? *Open Economies Review* (1994) 191-202

Production and trade with sector specific international capital, *International Review of Economics and Finance* (1994) 93-105

Foreign management, international capital, and income redistribution, *International Economic Journal* (1993) 33-41

The magnification effect with three factors, *Keio Economic Studies* (1993) 57-64

Industrial shutdowns and medium run factor intensity reversals, *Canadian Journal of Economics* (1990) 406-12

Do tariffs protect specific factors? *Canadian Journal of Economics* (1989) 406-12

Free trade and factor price polarization, *European Economic Review* (1986) 419-25

Complementarity in a simple general equilibrium production model, *Canadian Journal of Economics* (1985) 616-21

International capital mobility in a specific factor model, *Atlantic Economic Journal* (1985) 76-9

Trade and international factor mobility, *Atlantic Economic Journal* (1983) 45-8

Simulated models of production and trade

Alabama forest products and the potential impacts of FTAA price changes, with Mostafa Malki and Osei Yeboah, *Journal of Economic Integration* (2010) 130-43

Labor skills and factor proportions trade in the Gulf Cooperation Council, with Hugo Toledo, *International Review of Economics and Finance* (2010) 407-11

Tariff elimination and the wage gap in an industrial specific factors model, with John Francis, *Review of International Economics* (2009) 447-60

A specific factor model of FTAA and North Carolina textile and apparel, with Mostafa Malki and Osei Yeboah, *International Economic Journal* (2009)

The impact of a BSE outbreak in a specific factors model, with Osei Yeboah and Victor Ofori-Boadu, *International Journal of Applied Economics* (2009) 47-57

Free Trade with Cuba: The effects of a lifted embargo in Alabama, with Curtis Jolly, *Southern Economics and Business Journal* (2008) 82-93

The industrial wage effects of Croatia's accession to the EU, with Josip Funda and Mia Mikić,

International Economics and Finance Journal (2006) 157-69

Income redistribution, trade prices, and international capital in simulated trade models, *WTO and World Trade: Challenges in a New Era* edited by Günter Heiduk and Kar-yiu Wong (2005) Springer-Verlag

FTAA and Colombia: Income distribution across labor groups, with Hugo Toledo, *International Review of Economics and Finance* (2005) 203-12

Bolivia and South American free trade, with Hugo Toledo, *International Trade Journal* (2001) 113-26

Free trade and income redistribution across labor groups: Comparative statics for the US economy, *International Review of Economics and Finance* (1997) 181-92

Free trade and income redistribution in a three factor model of the US economy, *Southern Economic Journal* (1997) 1074-83

NAFTA and industrial adjustment: A specific factors model of production in Alabama, *Growth and Change* (1996) 3-28

Factor intensity versus factor substitution in a specified general equilibrium model, *Journal of Economic Integration* (1995) 283-97

Free trade and income redistribution in some developing and newly industrialized countries, *Open Economies Review* (1995) 265-80

An investigation of the quantitative properties of the specific factors model of production and trade, *Japan and the World Economy* (1994) 375-88

Factor migration and income distribution in some developing countries, with Don Clark, *Bulletin of Economic Research* (1990) 131-40

International factor migration in the United States, with Don Clark, *Atlantic Economic Journal* (1990) 74-8

Simulating a multifactor general equilibrium model of production, *International Economic Journal* (1990) 21-34

Immigration, international capital flows, and long run income distribution in Canada, with Don Clark, *Atlantic Economic Journal* (1986) 24-9

Factor movements with three factors and two goods in the US economy, with Don Clark, *Economics Letters* (1983) 53-60

Empirical trade theory

The history and potential of trade between Cuba and the US, with Cassandra Copeland and Curtis Jolly, *Journal of Economics and Business* (2012)

Stolper-Samuelson time series: Long term US wage adjustment, *Review of Development Economics* (2012)

Estimating the Heckscher-Ohlin model: Inverting the inverse matrix, Special Issue of the *International Review of Economics and Finance* "Heckscher-Ohlin Theory: A Modern Approach" (2011)

The Cuban embargo and Southeastern agricultural exports, with Cassandra Copeland, *Southern Economics and Business Journal* (2010)

Wages in a factor proportions time series model of the US, *Journal of International Trade and Economic Development* (2010) 241-56

Productivity, imports, and the softwood lumber dispute, with Rao Nagubadi and Daowei Zhang, *International Trade Journal* (2009) 301-29

Lost protection and wages: Some time series evidence for the US, with Cassandra Copeland, *International Review of Economics and Finance* (2008) 603-06

Exchange rates and commodity markets: Global trade in corn, cotton, poultry, and soybeans, with Curtis Jolly and Abdul Almarwani, *Agricultural Economic Review* (2007) 77-86

Free trade and a case of local tomato production, with Budry Bayard and Li Chen, *Agricultural Economic Review* (2007) 69-78

Adjustment in general equilibrium: Some industrial evidence, with Farhad Rassekh, *Review of International Economics* (1997) 20-31

Substitution elasticities with many inputs, *Applied Mathematics Letters* (1997) 123-7

An empirical analysis of intraindustry trade and multinational firms, with Elizabeth Wickham, in *Intraindustry Trade: Theory, Evidence, and Extensions* edited by Peter Tharakan (1989) MacMillan

Separability of capital and labor in US manufacturing, with Don Clark and Richard Hofler, *Economics Letters* (1988) 197-201

Economic Growth

Economic growth with a nonrenewable resource, *Journal of Energy and Development* (2012)

Economic growth and foreign capital, *Review of Development Economics* (2008) 694-701

Foreign investment and transition in Central/Eastern Europe along the phase curve, with Valentina Hartarska, *Applied Econometrics and International Development* (2007) 67-78

An analysis of the impact of freedoms on economic growth, with John Kagochi and Nii Taki, *Journal of African Development* (2007) 13-29

Exports, imports, and income in Taiwan: Export led growth, with T Chang, Wen Shwo Fang, and Wen Rong Liu, *International Economic Journal* (2000) 151-60

Open economy macroeconomics

The exchange rate and US tourism trade, 1973-2007, with Ka Ming Cheng and Hyeongwoo Kim, *Tourism Economics* (2012)

The real exchange rate and the balance of trade in US tourism, with Ka Ming Cheng and Hyeongwoo Kim, *International Review of Economics and Finance* (2012)

The exchange rate, euro switch, and tourism revenue in Greece, with Alexi Thompson, *Tourism Economics* (2010) 773-6

Exchange rates, exchange risk, and Asian export revenue, with WenShwo Fang and YiHao Lai *International Review of Economics and Finance* (2007) 237-54

Exchange rates, exchange risk, and Asian export revenue, with WenShwo Fang and YiHao Lai, *International Review of Economics and Finance* (2007) 237-54

Third country news in the monetary model of the exchange rate, with John Jackson and Juliet Zheng, *Applied Financial Economics* (2005) 757-64

Exchange rate risk and export revenue in Taiwan, with WenShwo Fang, *Pacific Economic Review* (2004) 117-29

Fiscal policy in South Korea, Taiwan, and Thailand: Cointegration analysis, with T Chang and Wen Rong Liu, *ASEAN Economic Bulletin* (2002) 170-7, republished in *Curbing the Economic Downturn* edited by Aekaopl Chongvilaivan (2010) ISEAS Publishing

The impact of the exchange rate on local industry, with Kamal Upadhyaya, *Economia Internazionale* (1998) 101-13

Devaluation and the trade balance in India, with Kamal Upadhyaya and Murli Buluswar, *Applied Economics* (1996) 429-32

Energy economics

A note on the oil price trend and GARCH shocks, with Jing Li, *The Energy Journal* (2010) 185-91

Oil depletion and terms of trade, *Keio Economic Studies* (2007) 19-25

The applied theory of energy substitution in production, *Energy Economics* (2006) 410-25

The first step in restructuring the US electric industry, with Andy Barnett and Keith Reutter, *Energy Economics* (2005) 225-35

Clean air stranded costs: How big? with Andy Barnett and Justin Isaacs, *The Electricity Journal* (2002) 64-8

Retail competition and interstate electricity trade in the Southeast, with Andy Barnett and Justin Isaacs, *The Electricity Journal* (2002) 68-74

Short circuits in energy markets: California and competition, *The Electricity Journal* (2001) 72-3

A note on vertical integration and stock ratings of oil companies, with John Jackson and Kenneth Edwards, *The Energy Journal* (2000) 145-51

Energy taxes and wages in general equilibrium, *OPEC Review* (2000) 185-94

Electricity substitution: Some local industrial evidence, with Andy Barnett and Keith Reutter, *Energy Economics* (1998) 411-9

Industrial energy substitution during the 1980s in Greece, with Yannis Caloghiro and Alexis Mourelatos, *Energy Economics* (1997) 476-91

Privatization and deregulation of the electricity industry, with Andy Barnett, *Business and Economics for the 21st Century* (1997) 350-58

Efficient versus "popular" prices for regulated monopolies, with Randy Beard, *Journal of Business* (1996) 75-88

Other publications

News and volatility of food prices, with Henry Kinnucan and Yuqing Zheng, *Applied Economics* (2007) 1-7

Industrial subsidies in Alabama: Economic impact across counties, with Anthony Gadzey and Osei Yeboah, *Southern Economics and Business Journal* (2004) 130-36

State economic incentives: Stimulus or reallocation? with Pete Calcagno, *Public Finance Review* (2004) 651-65

Aftershocks of NAFTA: How is US industry adjusting to freer trade in North America? *The Financial Survey* (1998)

Globalization and income distribution: Across and within countries, *Business and Economic for the 21st Century* (1997) 168-72

Akira Takayama: A memoir, *Review of International Economics* (1996) 371-81
