Directions and Parking Information for New Employee Orientation:

The location of your orientation is room 1081 in Beard Eaves Memorial Coliseum. If you enter onto Biggio Drive from Samford Avenue, you will see the Coliseum on your left. Biggio is the street just past the indoor athletic practice facility if you are travelling west on Samford. Our parking lot is very small – near the loading dock and the big crisscrossed exterior ramps. It will be the first parking lot you come to on your left. There is an exterior entrance to the AU Employment Center/HRD Training Facility on the first floor by the parking lot on Biggio Drive to the **left** of the ramps (not underneath).

There are A and B zone parking spaces available along Biggio Drive. There are also additional parallel parking spaces along the road on the other side of the coliseum; however, be mindful of the different zones (“PC” zone is the large parking lot and is a special zone for students. Faculty and staff cannot park there). Parking is also available on the 3rd level of the parking deck by the Athletic Complex on the corner of Donahue and Samford. There is parking available and a University Parking Permit is required. If you need a visitor’s parking permit, please see Mary Elizabeth Fukai at the front desk when you arrive, or contact her at 844-7363.
