Meredith’s private AT evaluation identified the iPad as the best tool because it provides text to speech and writing supports.

The IEP team decided the school already has a laptop with software that does the same things. She can take it to all of her classes and home to complete homework.

Is Meredith being denied FAPE?

A. Yes, specialist said iPad was best tool

B. Yes, Meredith shouldn’t have to carry heavy laptop

C. No, computer is providing access.

D. No, school does not have to purchase AT.
