

## College of Sciences and Mathematics Distinguished Alumna/Alumnus Award Nomination Form

The College of Sciences and Mathematics (COSAM) invites your recommendation for an alumnus or alumna from the college to be recognized at this year's awards dinner. To be eligible for consideration, candidates will have achieved significant stature in their chosen field, whether commerce, industry, academia, medicine, and military or government service. In addition, a history of commitment to Auburn University and COSAM will be evident through their service as a student mentor, advocate for the college, and committee or board member, and by providing financial support, either through corporate or personal giving.

Nominations are welcome from COSAM Alumni and the general public and must be received by May 1. For further information, please contact Tammy Hartwell at [becktam@auburn.edu](mailto:becktam@auburn.edu) or Sherri Rowton at [rowtosj@auburn.edu](mailto:rowtosj@auburn.edu).
