

Department of Chemistry and Biochemistry Seminar

Featuring

DR. F. IVY CARROLL*

Distinguished Fellow

RTI International

Research Triangle Park, NC

SEMINAR TITLE

**Design, Synthesis and Development of Selective
Kappa Opioid Receptor Antagonists**

**February 23, 2012
3:45 p.m.**

Chemistry Building Room 134

(To meet with Dr. Carroll, please contact Dr. Schneller, schnest@auburn.edu)

Refreshments will be served at 3:30 p.m.
