INTENT TO TRANSFER FORM INSTRUCTIONS

Revised: June 2013

Instructions: This form is to be used for F-1 students currently attending Auburn University who intend to *transfer out* of Auburn to another university. Read the information on this page and complete the attached form and submit it with the required documents indicated on the form.

Students who want to *transfer to* Auburn University should utilize the “Transfer-In Form” available on the ISSS section of the Auburn University website.

RESTRICTIONS ON TRANSFERRING

- An F-1 student who was not pursuing a full course of study at the school he/she was last authorized to attend will be considered out of status. The student’s SEVIS record can be transferred to another school; however, it will be in “terminated” status. Consequently, the student must still apply for reinstatement or depart the United States and return as an initial entry in a new F-1 nonimmigrant status prior to beginning his/her studies at the new school.
- An F-1 student must begin classes at the transfer school or program within 5 months of transferring out of the current school or within 5 months of the program completion date on his or her current Form I-20, whichever is earlier.
 - In the case of an F-1 student authorized to engage in post-completion OPT, he/she must be able resume classes within 5 months of transferring out of the school that recommended OPT or the date the OPT authorization ends, whichever is earlier.
- Authorization to engage in OPT/CPT is automatically canceled when the student transfers to another school (for those students currently on OPT/CPT). For students currently on OPT/CPT3, authorization to engage in OPT/CPT is automatically canceled when the student transfers to another school.
- The student may only engage in on-campus employment at the school having jurisdiction over his/her SEVIS record. After the transfer date has been reached, the student is only eligible to work at his/her new school.
- All F-2 dependants must transfer with the F-1 principal and must be in status as well.

NOTE:

- The SEVIS release date is the current semester or session completion date, or within 60 days of completion.
- If a student changes his/her mind for certain reason, OIP can only cancel the student’s transfer request **prior to the SEVIS release date.**
- Although a student may apply to and be accepted by more than one school, SEVIS only allows a student’s record to be available to one school at a time.
- After the release date, a student must work with the DSO of transfer school to accomplish a second transfer to another USCIS approved school or transfer back to his or her previous school.
- **International student athletes** MUST see OIP 30 days prior to transferring to another school, even if they have been cleared by the Athletics Department to transfer.
