The math course you are able to begin at Auburn is determined by either a) the highest equivalent math you have passed before transferring or b) the math placement results from the ALEKS assessment which is available in AU Access once you have paid your AU admissions deposit.

¹ Students should choose a sequence in either Literature or History.

² This major requires Art, Value, and Society (PHIL 1070). Students will be required to take this course to complete the bachelor's degree requirements, regardless of other completed core humanities courses. Please contact us for more information.

Note: The Art Studio program requires a multi-semester sequence of major specific courses; therefore, it will take a minimum of 5-6 semesters to graduate after transferring.
