<p>AREA V – Pre-professional, major, & elective courses</p> <ul style="list-style-type: none"> • Business courses – ECO 231 & BUS 241 	<p>Reverse Transfer Needs</p> <ul style="list-style-type: none"> • Students who transfer before completing their AA/AS degree are encouraged to complete the Reverse Transfer Process. • The required math for your chosen major is Precalculus Trigonometry (MTH 113). If you have not taken a math course before transferring, you will be required to take the ALEKS Math Placement assessment before you can register for any math course at Auburn. The math course you are able to begin at Auburn is determined by either a) the highest equivalent math you have passed before transferring or b) the math placement results from the ALEKS assessment which is available in AU Access once you have paid your AU admissions deposit.
