AREA V – Pre-professional, major, & elective courses <ul style="list-style-type: none">World Language Sequence – FRN 101 & 102, GRN 101 & 102, JPN 101 & 102, or SPA 101 & 102 (8 hrs)³Statistics – MTH 265 (3 hrs)Additional Math – MTH 126, MTH 227 (Quantitative Track only)	Reverse Transfer Needs <ul style="list-style-type: none">Students who transfer before completing their AA/AS degree are encouraged to complete the Reverse Transfer Process.The required math for your chosen major is Business Calculus or Calculus (MTH 120 or 125). If you have not taken a math course before transferring, you will be required to take the ALEKS Math Placement assessment before you can register for any math course at Auburn. The math course you are able to begin at Auburn is determined by either a) the highest equivalent math you have passed before transferring or b) the math placement results from the ALEKS assessment which is available in AU Access once you have paid your AU admissions deposit.

¹ Students should choose a sequence in either Literature or History.

² Student planning to pursue the Primary Track should take Business Calculus if available. Students planning to pursue the Quantitative Track will need Calculus I, II, & III. For more information on these tracks, please contact us.

³ Most majors in the College of Liberal Arts are required to complete a world language sequence.
