## Environmental Design (ENVD)  
**Auburn University**

### AREA I – Written Composition (6 hrs)
- English Composition 1 – ENG 101 (3 hrs)
- English Composition 2 – ENG 102 (3 hrs)

### AREA II – Humanities & Fine Arts (12 hrs)
- Core Literature – any available (3 hrs)
- Core Fine Art – see footnote (3 hrs)
- Public Speaking – SPH 106 or 107 (3 hrs)
- Core Ethics – IDS 102, PHL 106 or 206 (3 hrs)

### AREA III – Natural & Mathematical Sciences (11 hrs)
- Natural Science Sequence – any available (8 hrs)
- Math – MTH 110 or higher (3 hrs)

### AREA IV – History, Social, & Behavioral Sciences (12 hrs)
- Core History Sequence – any available (6 hrs)
- Core Social Science – ANT 200, ECO 231, ECO 232, GEO 100, POL 200, 211, PSY 200, SOC 200 (6 hrs)

### AREA V – Pre-professional, major, & elective courses
- Please refer to the institutional Area V pages for recommendations on the remaining hours and other information relative to the major of Environmental Design.

### Reverse Transfer Needs
- Students who transfer before completing their AA/AS degree are encouraged to complete the Reverse Transfer Process.
- The required math for your chosen major is Finite Math (MTH 110) or higher. If you have not taken a math course before transferring, you will be required to take the ALEKS Math Placement assessment before you can register for any math course at Auburn. The math course you are able to begin at Auburn is determined by either a) the highest equivalent math you have passed before transferring or b) the math placement results from the ALEKS assessment which is available in AU Access once you have paid your AU admissions deposit.

---

1 This major requires either Design, Invention, & Society (ENVD 2040) or The Art of Architecture, Place, and Culture (ARCH 2600). Students will be required to take one of these courses to complete the bachelor’s degree requirements, regardless of other completed fine arts courses. Please contact us for more information.

College Contact: Katherine Chastain – 334-844-4569 – aucadc@auburn.edu

Additional Information for Environmental Science can be found online.
