AREA V – Pre-professional, major, & elective courses (choose up to 20 credit hours from the following options) <ul style="list-style-type: none">Additional Science – BIO 103 & 104, CHM 111 & 112, PHY 201 & 202 (24hrs)¹Additional Math – MTH 126 or 265 (3-4 hrs)	Important Reminders: <ul style="list-style-type: none">Students who transfer before completing their AA/AS degree are encouraged to complete the Reverse Transfer Process.The required math for your chosen major is Calculus (MTH 125). If you have not taken a math course before transferring, you will be required to take the ALEKS Math Placement assessment before you can register for any math course at Auburn. The math course you are able to begin at Auburn is determined by either a) the highest equivalent math you have passed before transferring or b) the math placement results from the ALEKS assessment which is available in AU Access once you have paid your AU admissions deposit.

¹ **These courses are not required for this major** but will be accepted as technical electives. For additional courses that may count under AREA 5 and towards the major, please contact us.
