AREA V – Pre-professional, major, & elective courses² <ul style="list-style-type: none">Additional Science – CHM 111 (4 hrs)	Reverse Transfer Needs <ul style="list-style-type: none">Students who transfer before completing their AA/AS degree are encouraged to complete the Reverse Transfer Process.The required math for your chosen major is Precalculus Algebra (MTH112). If you have not taken a math course before transferring, you will be required to take the ALEKS Math Placement assessment before you can register for any math course at Auburn. The math course you can begin at Auburn is determined by either a) the highest equivalent math you have passed before transferring or b) the math placement results from the ALEKS assessment which is available in AU Access once you have paid your AU admissions deposit.

¹Students should select a sequence of History **or** Literature.

²Additional AREA V courses may be available, depending on selected track. Please contact us for more information.

College Contact: Madisen Cope – 334-844-8900 – madisen.cope@auburn.edu

Additional information for Horticulture [can be found online](#). This guide covers the fruit and vegetable production, landscape horticulture, nursery & greenhouse science, and pre-landscape architecture tracks. Please reach out for potential other AREA 5 options.
