If you have not taken a math course before transferring, you will be required to take the ALEKS Math Placement assessment before you can register for any math course at Auburn. The math course you are able to begin at Auburn is determined by either a) the highest equivalent math you have passed before transferring or b) the math placement results from the ALEKS assessment which is available in AU Access once you have paid your AU admissions deposit.

¹ Students should choose a sequence in either Literature **or** History.

² Most majors in the College of Liberal Arts are required to complete a world language sequence.
