What is a Federal Graduate PLUS Loan?

The Federal Graduate PLUS Loan is an unsubsidized loan for students enrolled in a degree-seeking Graduate or Professional Program (Masters, PhD, Veterinary Medicine, Doctor of Pharmacy). PLUS loans help pay for education expenses up to the cost of attendance minus all other financial assistance.

What costs are associated with the Federal PLUS Loan?

- ❖ **Interest:** The interest rates for the upcoming academic year have not yet been set by the U.S. Dept of Education. For reference, the interest rate on 2021-2022 loans was 6.28%.
- ❖ **Origination Fee:** An origination fee of 4.228% is charged by the US Department of Education on each loan disbursement. Therefore, a gross loan disbursement of \$5000 will net at \$4789.

When and where do I apply?

Applications will be available late April 2022 at www.studentaid.gov. The application period will remain open until the day before the last class day of the term. After the last class day, the school cannot originate a PLUS loan for you. Therefore, you should apply well before the end of term to make sure everything is in order prior to the last class day of the term.

What are the eligibility requirements for a Federal Parent PLUS Loan?

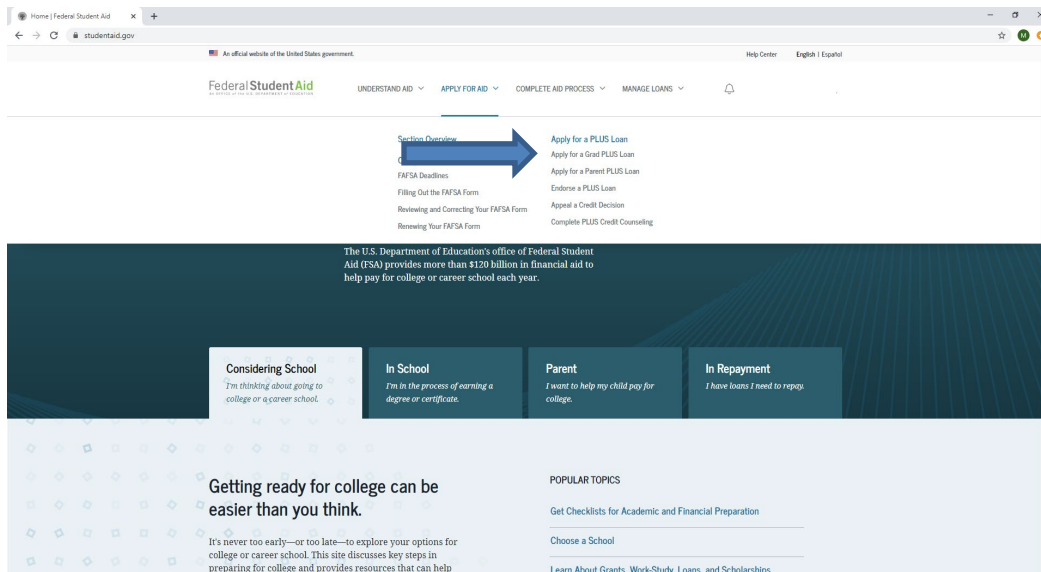

- ❖ You must have a 2022-2023 FAFSA on file with Auburn University, and any additional required documentation must be satisfied.
- ❖ You must be enrolled at least half time, which is a **MINIMUM OF 5 CREDIT HOURS**.
- ❖ You must be U.S. citizen or eligible noncitizen, must not be in default on any federal education loans or owe an overpayment on a federal education grant.
- ❖ You must be maintaining Satisfactory Academic Progress (SAP). Please refer to www.auburn.edu/finaid in the "Additional Information" section to review the requirements for SAP.
- ❖ You cannot have an adverse credit history (a credit check will be performed during the application process). Please review the credit criteria at <https://studentaid.ed.gov/sa/sites/default/files/plus-adverse-credit.pdf>. A PLUS loan approval does not ensure future PLUS loan approvals, as that will be based on the information in your credit file at the time of application. If your PLUS loan is declined, based on your credit history, you will be provided some options within the application. These options include: Seeking approval of the loan with a credit-worthy endorser/cosigner, seeking approval of the loan through a dispute process with the U.S. Department of Education Direct Loan division, or not seeking approval of the loan, thereby withdrawing your request for the Graduate PLUS loan.

IF DENIED, PLEASE SEE PAGE 3 OF THESE INSTRUCTIONS FOR IMPORTANT INFORMATION.

PLUS Loan Denial Options:

In the event that your loan application is denied, due to adverse credit, you will be given some options within the loan application at www.studentloans.gov. Please review the information below for further clarification of the options that will be presented to you.

- ❖ **APPEAL or DOCUMENT EXTENUATING CIRCUMSTANCES:** If you choose to appeal the credit decision, you will do so through the www.studentaid.gov site under “Parent Borrowers”, “Appeal a Credit Decision”. If the appeal is successful, you will be notified by Direct Loans and the school will be notified approximately one business day later.
 - If your loan is approved through appeal, you will be required to complete PLUS Credit Counseling prior to your loan being fully approved for disbursement.

- ❖ **ENDORSER:** If you choose to apply with a credit-worthy endorser, you will receive an email from Direct Loans with a “PLUS Loan Endorser Code” shortly after submitting your application online. You will need to have your endorser apply for a Federal Student Aid ID (www.studentaid.gov/fsaid) and use that to log into www.studentaid.gov with their information. Once logged in, they will select the dropdown “APPLY FOR AID” and then the option “Endorse a PLUS Loan”. They will use the provided “Endorser Code” where requested.
 - If your loan is approved with an endorser, you (the parent borrower) will be required to complete PLUS Credit Counseling prior to your loan being fully approved for disbursement.
 - A new PLUS Loan Agreement/MPN (Master Promissory Note) is required for each endorser-approved PLUS Loan.

- ❖ **UNDECIDED:** If you choose “undecided”, **NOTHING** will happen with your PLUS request, until our office hears from you. Please avoid selecting this option, if possible.

Required if you are originally denied, but subsequently approved with an endorser or through appeal.
