SERVING CUSTOMERS SINCE 1930

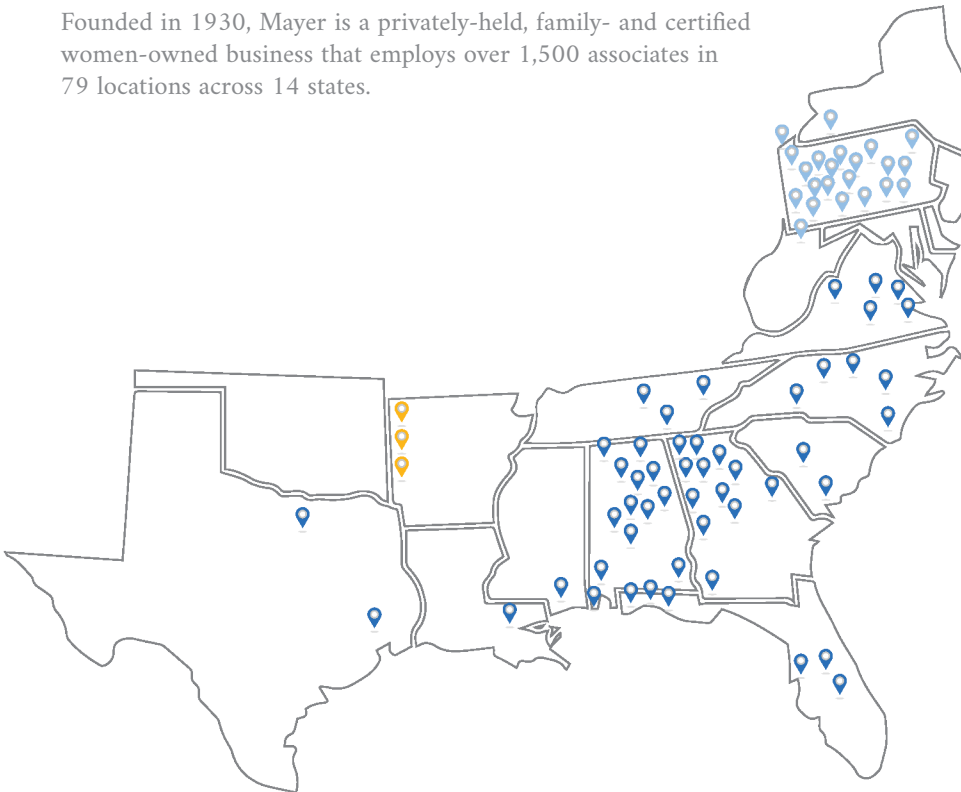

CONNECTED TEAM. Our experienced, connected team adds measurable value beyond traditional electrical distribution by leveraging best-in-class product knowledge, digital expertise and proven company processes to build true partnerships with our customers and suppliers.

UNRIVALED SERVICE. Our family owners have built Mayer's company culture and reputation on a foundation of providing unrivaled, reliable and responsive service for every customer, investing in our people and giving back to the communities in which we live and work.

INNOVATIVE SOLUTIONS. We have the scale, capability and resources to understand our customers' businesses and challenges, and design innovative, technology- driven solutions that solve their problems, increase efficiencies and improve profitability.

Mayer is one of the nation's largest wholesale distributors of electrical products and equipment, connected solutions, lighting, digital tools, DataCom technologies, power distribution and automation and control systems. We serve contractors, industrials, OEMs, integrators, institutions, government entities, utility providers, commercial businesses and residential customers. Mayer is now a strategic partner with Schneider to deliver their world class automation & control systems to all of our markets.

Founded in 1930, Mayer is a privately-held, family- and certified women-owned business that employs over 1,500 associates in 79 locations across 14 states.
