

Ombudsperson Continuation Proposal

Based on the original *Proposal to Establish a University Ombudsperson Position* passed by the Senate January 15, 2008, the University Senate Executive Committee has reviewed the Ombuds Office and requests continuation of the Ombudsperson position.

If this is approved, the Rules Committee will request nominations and applications for the position immediately.

Ombudsperson Term Proposal

The Executive Committee proposes to lengthen the term of the Ombudsperson to three years (from the current two year term). This is to provide greater continuity to the office.
