| Job Family:   | Financial & Business Operations |
| Job Function: | Business Administration         |

## JOB SUMMARY

Exercises primary responsibility and is accountable for the areas of finance, budget, purchasing, human resources, compliance, and support services management for a complex College. Typically responsible for more than 70 sponsored program totaling more than \$4.6 million in research. Additionally, these colleges have more than 110 faculty, more than 30 academic options, a staff of 386+, and an operating budget per student of \$21.8k or more.

## RESPONSIBILITIES

- Oversees and maintains current financial/accounting knowledge of internal processes, policies and procedures and effectively communicates with department personnel; reviews and approves financial transactions in accordance with fiscal policies and procedures which ensure that generally accepted accounting principles, regulations governing contractual agreements, federal and state regulations, and Auburn University guidelines are employed.
- Ensures compliance by providing oversight and guidance to principal investigators and administrative staff regarding pre- and post-award grant policies and regulations of both internal and external agencies.
- Manages, in collaboration with the Dean, annual budget development and ongoing analysis and reporting. Provides financial reporting and analysis for funding activities, business operations, project accounting, and short- and long-term financial planning.
- Oversees the Human Resources function and related activities for the College of Science and Mathematics. Supervises the Sr. Manager for Human Resources, who informs and collaborates directly with the Dean on significant human resources matters, such as Title IX, employee relations or compliance issues.
- Advises the Dean and Dean's staff on operational areas of responsibility. Provides oversight and is responsible for all business operations in the College.
- Assists with strategic planning, organizational analysis, and business development.
- Provides leadership to the administrative and support staff. Delegates work, as applicable, ensuring accurate and timely completion; assists staff in resolving complex and non-routine issues.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

## SUPERVISORY RESPONSIBILITIES

|                            |                                                                                                                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Supervisory Responsibility | Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions. |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
