JOB FAMILY AND FUNCTION

Job Family:	Student Resources
Job Function:	Academic

JOB SUMMARY

Provides leadership, support and coordination for university advising and student success technologies. Provides professional level coordinated services to identify and assist students who are at risk of academic failure. Collaborates with units in Student Affairs and Academic Affairs to facilitate coordinated retention efforts.

RESPONSIBILITIES

- Coordinates performance management and utilization of advising and student success technologies. Serves as a main point of contact with vendor(s) for updates and troubleshooting.
- As needed,organizes a team of super users who oversee all aspects of advising and student success platform(s) including technical aspects, functionality for both professionals and students and access and security coordination with OIT. Trains new users, coordinates regular meetings, assists new units to platform(s) in setting up their location; chairs a team of advisors from every college/school and other support units, and conducts testing of new advising and student success technologies. Supports campus wide leadership team responsible for decisions impacting broad functionality of advising and student success technologies.
- Supports advising and student success technology users' understanding and utilization of the platform(s) to promote student retention. Develops and coordinates professional development opportunities focused on retention efforts and utilization of advising and student success technologies for Academic Advisors and other student support professionals. Provides user support as needed in responding to questions or concerns.
- Monitors early alert grade process, schedules reports to run and ensures its listing in the academic calendar. Communicates with and assists faculty as needed to respond to questions and troubleshooting challenges when submitting grades. Sends reports to colleges/schools and campus partners regarding early grade reports for students. Communicates with students regarding mid-term grades.
- Coordinates reporting and distribution of retention data to faculty and staff of colleges/schools. Independently or in partnership with other offices, offer interventions for students on improving academic success.
- May perform other duties as directed by supervisor.
