Auburn University Job Description

Job Title: Dir, Exploratory Advising Center
Job Code: AA38
FLSA status: Exempt

Job Summary
Serves as the Director of the Exploratory Advising Center to support students exploring different majors offered at Auburn University.

Essential Functions
1. Oversees central operations of the center to include supervising personnel, managing finances and budgets, and overseeing front desk operations and customer service.
2. Manages assigned staff to include human resources related functions such as leading recruitment efforts, reviewing resumes, conducting interviews, and conducting performance review evaluations of staff. Provides and encourages professional development opportunities to staff.
3. Oversees and coordinates the curriculum and course scheduling of the Exploratory Center.
4. Directs and oversees advising practices of processional academic advisors and career counselors including oversight of work, training, and assistance with difficult advising situations. Assesses services provided by the center and leads changes as needed based on findings and discussions with the staff.
5. Collaborates with colleges/schools for referrals of upperclassmen students to coordinate academic advising and career counseling and maintain current information on majors and students' records.
6. Organizes recruitment plans and schedules for students interested in the Exploratory major. Plans and facilitates new student orientation for students.
7. Serves as a liaison between Auburn University Career Center for coordinated services for students advised in the center as well as events and other campus related activities.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
