Job Function:	Academic Programs

JOB SUMMARY

Manages the Biggio Center Testing Services and assists in setting the strategic vision and direction for the growth of the Center.

RESPONSIBILITIES

- Assists the Director with activities related to establishing institutional structure and oversight that includes organizational analysis, budget preparation and monitoring, and site visits to peer institutions.
- Tracks projects through phases, requirements/scope development, estimating budgeting, planning, design, procurement, and assessment.
- Manages the assessment and evaluation of the effectiveness of programs and program staff.
- Provides the leadership to improve the team and to identify and resolve any issues preventing successful project execution.
- Assist the Director with public relations, communications and marketing efforts.
- Develops relationships with University constituents/clients to include state and national groups as appropriate to advance the mission of the University, as well as the goals and objectives of Biggio Testing Services.
- Develops and initiates efforts to continually improve upon existing departmental processes and procedures, including grant writing to support staff development.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
