Auburn University Job Description

Job Title: **Negotiator, Intellectual Property Agreements**

Job Code: AA71
FLSA status: Exempt
Job Family: 
Job Function:

**Job Summary**
Under supervision, negotiates and manages a portfolio of industry contracts, material transfer agreements, confidentiality agreements, and related agreements, as well as provides guidance and support in other technology transfer activities

**Essential Functions**
1. Under close supervision, assists with reviewing and negotiating the terms and conditions of intellectual property agreements on behalf of the University to enhance its research and economic development missions, ensuring compliance with State and Federal agency guidelines and Federal government regulations and laws (e.g. Bayh-Dole Act, export control regulations, agency guidelines, etc.)
2. Drafts and negotiates non-disclosure agreements, material transfer agreements, memorandums of understanding, and other technology transfer and industry-related agreements
3. Provides guidance to and coordinates with faculty, administrative units, and staff to ensure both compliance with, and adherence to, contractual language with University policies and guidelines, as related to intellectual property ownership and protection, risk management, confidentiality, licensing, etc.
4. May educate faculty, staff, and students about the technology transfer process, while providing an understanding and direction to University personnel to assist with resolving problematic and complex contractual issues
5. Serves as a resource for external University clientele in the community and corporate entities to seek information about the technology transfer process and industry contracting in a university setting

**Supervisory Responsibility**
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

*The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.*
