JOB SUMMARY

Under general supervision, manages and administers required compliance with federal sponsorship and government reporting in compliance with the Bayh Dole Act of 1980.

RESPONSIBILITIES

- Provides timely and accurate reporting on inventions to the government agencies, informing the agency about invention title election, issuing confirmatory licenses to the US Government, and keeping the agency apprised of resulting patenting and licensing activity.
- Ensures that obligations to non-government sponsors are satisfied in a timely and accurate manner.
- Supports and manages required compliance with federal sponsorship obligations and government reporting.
- Responsible for maintaining a working knowledge of current federal rules and regulations; maintains rapport with regulatory personnel in an effort to facilitate resolving concerns.
- Researches regulations by reviewing regulatory bulletins and other sources of information; communicates with other staff members as to updates and changes in reporting requirements. Maintains professional and technical knowledge by attending educational workshops, reviewing professional publications, establishing personal networks, benchmarking state-of-the-art practices and participating in professional organizations.
- Maintains database records to ensure the department's records are up-to-date, reconciled, and complete.
- Coordinates with others in the department to advise and/or assist with the preparation and submission of disclosures and to review documentation for government compliance.
- Responsible for managing the business and financial activities related to the law firms, IP support service firms, and marketing firms used.
- Responsible for calculating royalty distributions, managing patent expense reimbursement activities, completing bookkeeping activities within the internal data management system, and carrying out other business-related activities, as needed, to ensure continued operations.
- Performs other duties as assigned.

SUPERVISORY RESPONSIBILITIES
