Auburn University Job Description

Job Title: Assoc Dir, Health Prom-Well Svcs
Job Code: AB38
FLSA status: Exempt

Job Summary
Reporting to the Director of Health Promotion & Wellness Initiative, the Associate Director of Health Promotion & Wellness Initiatives collaborates with the Director to develop and implement health and wellness programming specifically aimed at underserved populations at Auburn University. Additionally, this position will supervise professional level staff and will assume all administrative responsibilities in the absence of the director.

Essential Functions

1. Leads the creation of the comprehensive well-being strategy for university staff and faculty. Develops engaging organizational programs for employee groups with non-traditional work schedules and locations.
2. Leads the creation of and the implementation of a comprehensive well-being strategy for graduate students.
3. Analyze data to inform program design enhancements aimed at improving employee health outcomes and return on investment (ROI).
4. Assess the success of current programs, measure utilization and adjust as necessary, creating structure, clarity and functionality around programs while allowing for a level of creativity and flexibility.
5. Work in tandem with colleagues across campus to include but is not limited to, campus recreation, the Harrison School of Pharmacy, School of Kinesiology, and other appropriate campus partners to create meaningful and effective partnerships.
6. Leads HPWS grant and development opportunities in partnership with the division of student affairs advancement office.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
