JOB FAMILY AND FUNCTION

Job Family:	Student Resources
Job Function:	Admissions & Recruitment

JOB SUMMARY

Reporting to the Associate Director of Operations and Processing, oversees the daily operations and supervision of all Admission Processing staff to enhance all processing to ensure a timely turnaround of all application types.

RESPONSIBILITIES

- Oversees the daily operations of Admission Processing which includes monitoring productivity of applications and applicant data daily, developing reports to audit data, and training staff on processes and the ongoing evaluation and enhancement for all processing to ensure timely and accurate turnaround of all application types to meet the University's recruitment and enrollment goals.
- Maintains the Banner student module to include, but not limited to, serving as local administrator, overseeing system testing and implementation, and researching and implementing best practices.
- Oversees the daily operations of all Admission Processing staff to include general questions and answers, communication of important information and updates, leave approval, onboarding and training, and performance reviews.
- Assists the Associate Director of Operations and Processing with the implementation of admission, goals, planning and enhancing relationships with on-and off-campus constituents.
- Directs and oversees the coordination of all undergraduate administrative functions and communications as it relates to admission processes, admission applications, admissions decisions, and enrollment efforts.
- Coordinates efforts and communications between departments, Office of Information Technology, and software vendors meeting the needs of internal and external constituents through effective system processes and report design.
- Advises on operational matters including but not limited to, processes, deadlines, assignments, logistics, and other administrative matters.
- Serves as a liaison to departments, users, and vendors regarding training, support, process documentation, and other data requests of applicants as it relates to the admission process.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.
