JOB FAMILY AND FUNCTION

Job Family:	Student Resources
Job Function:	Admissions & Recruitment

JOB SUMMARY

Reporting to the Associate Director of Transfer Admission & Recruitment Programming, the Manager of Transfer Student Recruitment manages the development and implementation of transfer admissions and recruitment programs and processes.

RESPONSIBILITIES

- Manages the transfer and international admissions advisors, meets with transfer students and international students, coordinates coverage of college fair programs, and manages transfer inquiry and applicant follow-up. Responsible for the daily supervision, training, and evaluation of transfer/international admissions advisors which includes answering general questions, communicating important information and updates, leave approval, onboarding and training, and performance reviews.
- Oversees the daily operations of transfer advising and recruitment which includes monitoring applicant communication, processes, deadlines, and assignments.
- Responsible for modeling the customer service experience to prospective transfer students and their families, community college counselors, transfer student visitors, and various third party organizations serving transfer students.
- Manages the advising of prospective transfer and international students in person, by telephone, mail and e-mail in regard to admissions requirements.
- Assists the department with traditional student recruitment as needed, implementation and evaluation of all programs and efforts, which seek to enroll an academically talented and culturally diverse student body.
- Serves as the liaison to community college counselors.
- Performs other related duties as assigned.
