Auburn University Job Description

Job Title: Dir, Assessment & Strategic Plan
Job Code: AE58
FLSA status: Exempt

Job Summary
Directs and oversees the planning, implementing, and assessing of strategic initiatives within Auburn University Student Affairs. Oversees Student Affairs’ program of assessment and effectiveness in co-curricular programs. Provides leadership and facilitates Student Affairs strategic planning efforts. Leads Assessment and Strategic Planning office’s efforts to foster a culture of evidence throughout Student Affairs in order to provide effective and efficient programs and services for students that support the strategic priorities of the university and Student Affairs.

Essential Functions

1. Oversees and leads division-wide assessment and strategic planning. Trains staff to conduct outcomes assessment and use its results as a basis for action.
2. Provides and oversees the provision of quality control, feedback, and documentation on the institution’s co-curricular outcomes assessment and program/service improvement processes. Leads the University’s SACSCOC accreditation efforts for areas pertaining to student support services.
3. Provides and oversees the provision of assessment support to Student Affairs departments, leading assessment of student learning, programs, and services.
4. Leads, plans, and facilitates strategic planning efforts, working to develop measurable goals, assessment methods and communication efforts.
5. Develops, leads, and facilitates comprehensive program review processes for all departments within Student Affairs to communicate the impact of Student Affairs programs and services to stakeholders through assessment findings.
6. Advises Student Affairs leadership on matters related to institutional effectiveness. Communicates the results of the assessment to internal and external constituents, identifying successes and opportunities. Completes special projects for Student Affairs and University senior leadership.
7. Oversees tools for effective and efficient assessment and planning. This may include negotiating and signing product license agreements and serving as a campus product administrator of software products.
8. Serves as the chairperson of the Student Affairs Assessment Team; plans, guides, and documents its work.
9. Oversees the Assessment and Strategic Planning office including managing budgets and supervising staff and student employees.
10. Supports division-wide and departmental grant writing opportunities including training, education, grant proposal preparation, and review.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
