JOB FAMILY AND FUNCTION

Job Family:	Student Resources
Job Function:	Campus Recreation

JOB SUMMARY

Plans, develops, and implements comprehensive recreational and wellness programs that meet the needs of Auburn University students, employees, and family members.

RESPONSIBILITIES

- Directs and leads multiple campus recreational, fitness, and wellness programs and services, ensuring compliance with safety, risk management, and liability policies and procedures and following generally accepted recreational principles.
- Supervises the planning, development, and execution of comprehensive fitness and wellness programs to include programming, physiological assessments, personal training, nutritional programming, etc. for students, faculty, and staff of Auburn University.
- Supervises the planning, development, and execution of intramural and club sports programs to include overseeing the training of a student staff to administer both an effective intramural and club sports program.
- Supervises the planning, development, and execution of a comprehensive outdoor recreation program to include overseeing student staff to lead trips, organize and lead adventure training, and operate the climbing wall.
- Oversees the development of a sports officiating association to provide effective officiating and game management for intramural and club sports.
- Directs the implementation of an effective marketing program that provides information on all recreational programs, manages the departmental website, and coordinates the use of social media to promote Campus Recreation activities.
- Develops an effective and efficient assessment program for all fitness and wellness programs, ensuring quality control and continuous improvement.
- Provides leadership and direction for the department on assessment and strategic planning.
- Develops and manages the departmental budget for assigned programs.
- Directs the development of strategic long- and short-term goals for assigned areas.
