Job Function:	Career Strategies

JOB SUMMARY

The Career Development & Coaching Manager is responsible for collaborating with peer leadership in the development, implementation, and assessment of career coaching and professional development services and programs. Provides counsel in the development, strategic planning, and operation for the career development and coaching office.

RESPONSIBILITIES

- Collaborates with peer leadership to identify, develop, implement, and assess strategic priorities. Reviews assessment data for team planning and decision-making. Implements the strategic direction including developing and assessing short-term and long-term goals and objectives for the program.
- Coordinates programs, seminars, workshops, class presentations, and events related to professional development skills such as career development, job and internship searches, networking and personal branding, resume writing, interview skills, and job offer negotiations.
- Conceives, designs, and implements a career readiness program accessible to all students.
- Oversees individual and group career coaching for students and alumni regarding stages of the career development process including self-assessment, career exploration and decision-making, internship / job search materials and implementation, and job offer and salary negotiation.
- Creates and presents informational materials to promote and market programs to students, parents, faculty, and employers to increase student participation in programs and other activities. Creates materials and mediums such as newsletters, web pages, and career field guides to advance career development initiatives.
- Serves as a liaison between the career development office, programs, and stakeholders such as the University Career Center, college administrators, academic advisors, and departmental coordinators to cultivate effective partnerships and deliver services to students.
- Contributes to tracking and reporting metrics of the career development and coaching programs and first-destination outcomes of students. Monitors and reports trends and outcomes. Provides annual reports and analysis to inform future program development.
- Provides input to the leadership team to engage employers through interface of programs, employer visits, and position listings based on student disciplines and areas of interest.
- Responsible for the development and maintenance of the website design, serving as a primary liaison to the Office of Communications and Marketing. In collaboration with the Office of Communications and Marketing, designs and develops branding materials to uniquely identify the office and increase awareness and market career resources, programs, opportunities, and meaningful connections between students, alumni, and employers.
