## JOB FAMILY AND FUNCTION

Job Family:	Student Resources
Job Function:	Student Housing & Residence Life

## JOB SUMMARY

Develops, oversees, and manages the housing application and assignment process, as well as the oversight and management of operational tasks and administrative functions as it relates to housing tours, housing ambassador student staff, and overall communications to prospective students.

## RESPONSIBILITIES

- Plans, develops, and oversees complex operations system and procedures including housing applications, housing assignments/reapplication, mass and individual billing with corresponding auditing, creating and managing student housing charges, and customer service functions as it relates to the application and assignments process for the department. Works with other departments which include but not limited to Athletics, Honors College, First Year Seminar and Greek Life to create and manage the housing applications and assignments for each special student population.
- Implements and maintains the application and assignments software. Responsible for the creation and maintenance of the housing applications each semester. Responsible for modifying hall/room/bed setup in the database prior to the assignment process. Works with the IT department on verification reports to ensure the department software matches the university software system. Manage the departmental website content as it relates to the application and assignment process.
- Selects, trains, and supervises student employees (Housing Ambassadors) and a graduate assistant(s). This includes the oversight of the hiring and performance evaluation of each employee. Oversees and manages the processes as it relates to the application and assignments that other professional staff members perform. This includes but is not limited to application cancellation procedures and reporting, student check-out procedures, and student reassignment procedures.
- Develops, maintains, and reports occupancy statistics and other information for housing projections, budget development, analysis and data management each semester. Responsible for maintaining a departmental occupancy each fall semester of at least 96%. Works directly with the director to forecast semester occupancy rates.
- Serves on various departmental committees and leadership teams.

## SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
