JOB SUMMARY

Under general supervision, responsible for assisting with key management and card access system administration; resolving technical issues; and providing keying, electronic access, and time-zone-related services to University staff, students, and affiliates.

RESPONSIBILITIES

- Assigns and tracks keys, cards, biometrics authentication, and other credential access levels for the campus population. Validates authorized requests and creates, modifies, and deletes users, pin segments, and/or various credentials in the system.
- Utilizes key management and/or Access Control systems, databases, and software. Ensures system data integrity by auditing frequently for upkeep or errors.
- Provides needed technical assistance to address mechanical and electronic access concerns and ensure high levels of customer service. Coordinates with segment and building administrators to resolve issues.
- Serves as a liaison between Access Control and other campus departments concerning keying and access needs. Schedules varying access to classrooms, labs, and conference rooms.
- Assists with master keying as well as creating and assigning locking/unlocking time zones for the entire campus including segments, buildings, and labs. Identifies and resolves discrepancies to help ensure efficient master keying and time zone management.
- Develops and delivers system reports for various University departments as needed. Coordinates processes for recurring reports to be utilized by Public Safety.
- May perform a variety of administrative duties such as budget tracking and coordination, purchasing, inventory management, card reader licensing management, and acting as a point of contact for vendors/outside agencies.
- May be responsible for meeting and maintaining training and certification requirements as outlined by the Auburn University Facilities Management Policy: "Training, Education, and Certification Requirements for Mechanical and Electrical Trades Personnel."
- May perform other related duties as assigned.
