Auburn University Job Description

Job Title: Dir, Employer & Alumni Engagement  
Job Code: AG05  
FLSA status: Exempt  
Job Family: No Family  
Grade 37: $68,700 - $114,500

Job Summary
Envisions and implements operational strategies to create efficient and effective processes and communication channels to enhance productive interactions across the campus career services network, and between all stakeholders with a vested interest in alumni, employer, and corporate engagement. Builds a program and a team that sets bold goals and innovative plans to build meaningful connections with alumni and employers that support university career development initiatives, and foster opportunities for career exploration, competency development, experiential learning, and post-graduation employment.

Essential Functions
1. Creates and implements a strategic plan and develops an annual operational plan for employer development and engagement which leverages existing and new employer partnerships as well as alumni. Leads the employer relations and engagement strategy, both internal and external to the University, and in collaboration with campus partners and stakeholders.
2. Develops a working network of employer engagement in collaboration with university stakeholders to share employer engagement best practices, as well as providing opportunities for training and professional development. Facilitates consultation with employers interested in recruiting Auburn University students for experiential learning opportunities and full-time employment.
3. Oversees and expands regional, national, and international employer networks and relationships, while developing collaborative partnerships with Alumni Affairs, University Advancement, and key stakeholder in academic schools and colleges.
4. Supervises the event planning and the development of programs that facilitate connections between students and employers and/or alumni, develops partnership opportunities with employers.
5. Leverages data to inform the development, maintenance, and growth of strategic employer relationships across industry sectors and the university landscape, while ensuring there are opportunities for all academic areas of study and geographic areas of interest and promotes retention of talent within the state by engaging industries in Alabama.
6. Advises the Executive Director on job market trends, future of work trends in varying industries, and employer engagement and recruiting strategies.
7. Communicates recruiting practices and hiring preferences of employers to campus stakeholders and creates a community amongst stakeholders for information sharing and collaboration.
8. Collaboratively establishes and maintains recruitment policies and CSM user policies. Serves as a central point of contact for employer engagement and shared software that facilitates recruitment activities for dispersed career services units across campus.
9. Leads and mentors members of the Employer and Alumni Engagement Team and is responsible for hiring and training newly created or revised roles on the team.
10. Represents the office and the university at relevant events with external constituents, professional associations, and relevant career and workforce development initiatives.
Auburn University Job Description
Supervisory Responsibility

Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
