JOB FAMILY AND FUNCTION

Job Family:	Athletics
Job Function:	Athletics Sports Health & Welfare

JOB SUMMARY

Oversees and manages the sports medicine, sport science, and nutrition programs, ensuring the wellbeing of student-athletes. Supervises and develops Athletic Trainers and oversees the sports nutrition unit. Collaborates with coaches to address healthcare issues, plans medical coverage for events, and manages budgeting and billing.

RESPONSIBILITIES

<ul style="list-style-type: none">Supervises, hires, tracks, and ensures development and retention of Athletic Trainers, ensuring their continued certification and professional growth. Makes recommendations and secures equipment to support the execution of meeting student-athlete success. Ensures coverage of athletic training services when needed.
<ul style="list-style-type: none">Leads and supervises both sports science and sports nutrition units, ensuring effective administration of sport science practices and nutritional practices in coordination with sport program needs, sports performance, and sports medicine. Oversees the Directors of Sports Science and Sports Nutrition, along with their respective teams, who are responsible for delivering specialized services, education, and managing supplies for assigned sport programs. Conducts sports science and medical audits for review by the team physician to ensure compliance with medical standards and the overall well-being of athletes.
<ul style="list-style-type: none">Evaluates and authorizes medical care of student athletes, including budgeting and purchasing necessary medical and emergency care supplies.
<ul style="list-style-type: none">Develops, reviews, and updates policies and standards related to emergency medical plans, EMS services, and the availability of emergency equipment. Ensures all medical and training staff are well-informed about emergency protocols and rehabilitation needs of student-athletes.
<ul style="list-style-type: none">Manages the implementation of the student athlete drug testing policy, coordinating student and coach training, testing procedures, and communication of results. Monitors penalties for positive drug test results and ensures follow-up care and counseling for affected student-athletes.
<ul style="list-style-type: none">Monitors the well-being of student-athletes who require hospitalization, psychological care, or are under the care of physicians. Facilitates support and treatment coordination for student-athletes, addressing various health concerns as needed. Collaborates with Sports Psychologists, Team Physicians, parents, and relevant parties to ensure comprehensive care. Provides transportation assistance for student-athletes requiring treatment or support.
<ul style="list-style-type: none">Collaborates with coaches to address medical and healthcare issues while maintaining NCAA guidelines.
<ul style="list-style-type: none">Plans and ensures adequate medical coverage for sporting events and practices, prioritizing the safety and well-being of our student-athletes.

RESPONSIBILITIES

- Manages budgeting and billing activities, ensuring compliance with government regulations and responsible financial practices.
- Monitors weather conditions for practices, games, and camps, and makes decisions to prioritize the safety of student-athletes. Coordinates with teams and administration contacts to address weather-related risks and implements necessary precautions.
- Verifies insurance coverage for student-athletes and collaborates with Risk Management to ensure adequate and appropriate coverage is obtained.
- Complies with all applicable National Collegiate Athletic Association (NCAA) and Southeastern Conference (SEC) regulations in the performance of job duties.
