
Auburn University Job Description

Job Title: **Mgr, Equipment Operations**

Job Family: No Family

Job Code: **BA79**

Grade AT07: \$50,300 - \$85,500

FLSA status: Exempt

Job Summary

Under supervision of the Associate Athletic Director, Equipment Operations, manages equipment operations for intercollegiate sports programs.

Essential Functions

1. Manages equipment operations for intercollegiate sports programs. Ensures coaches and team members are properly outfitted for competition and practice.
2. Ensures that athletic equipment is repaired, maintained, and that NCAA, NOCSAE, and Southeastern Conference (SEC) rules and regulations, as they apply to athletic equipment, and OSHA standards are followed.
3. Collaborates with AD Equipment Operations to coordinate travel plans for equipment for away competition.
4. Receives, inventories, and distributes all incoming equipment and uniform freight shipments for the Athletic Department.
5. Oversees the cleaning and serviceability of all athletic equipment.
6. Manages and coordinates the work of equipment staff and/or students engaged in the day-to-day operations of activities.
7. Oversees the Athletic Department's shipping and mail operations. Processes incoming and outgoing mail and packages. Prepares and monitors budget for mail operations.

Supervisory Responsibility

Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
