JOB FAMILY AND FUNCTION

Job Family:	Athletics
Job Function:	Athletics Student Support Services & Academic Support

JOB SUMMARY

The Director of Learning Services oversees vital operations specializing in providing necessary and innovative services and resources to Auburn University's most at-risk student-athletes. This individual is responsible for directing, overseeing, monitoring, and assessing the implementation of proactive, intensive, and sustained essential learning strategies for at-risk student-athletes in a highly competitive academic setting by professional staff to enhance student success and develop independent and self-motivated learners. This support is comprehensive and incorporates the efforts of Learning Specialists, Strategists, and Tutors following industry best practices as well as the development of innovative strategies.

RESPONSIBILITIES

<ul style="list-style-type: none"> Oversees critical operations of Athletics Learning Services, to include supervising personnel, assessing needs, evaluating services, and researching best practices in regards to developing at-risk student-athletes.
<ul style="list-style-type: none"> Leads, directs, supervises, and evaluates staff including oversight of work, training, and assistance with difficult situations. Includes providing input into hiring decisions and overseeing the professional development of team members.
<ul style="list-style-type: none"> Supervises data-driven programs and services designed to meet the unique needs of at-risk student-athletes to increase retention and graduation. Monitors the development of individualized learning plans and integrates the efforts of Strategists and Tutors following industry best practices and developing innovative strategies.
<ul style="list-style-type: none"> Guides and monitors the development, implementation, and assessment of programmatic and training initiatives and serves as a vital resource to Student-Athlete Support Services (SASS) staff including Academic Counselors, Strategists, and Tutors to ensure service providers are equipped with the skills and techniques required to best serve at-risk student-athletes.
<ul style="list-style-type: none"> Leads the collaboration between SASS and the Office of Accessibility as well as the external screening and diagnostic service providing additional assessment of at-risk student-athletes. This includes ensuring student-athletes are advocated for when needed in regards to the process beginning with an intake and initial assessments through diagnosis and utilization of accommodations.
<ul style="list-style-type: none"> Directs and oversees a comprehensive summer bridge program that begins to acclimate students to the rigor of college while also strategically providing needed remediation in the areas of math, reading, and writing.
<ul style="list-style-type: none"> Supervises the development and teaching of workshops to targeted student-athletes focused on decision-making, time management, organization, self-advocacy, reading, math, study skills, and goal setting.
<ul style="list-style-type: none"> Coordinates processes including initial screening, assessment, and diagnostic testing of student-athletes, and ensures referrals for additional testing by an external entity as needed. Additionally, consults and

RESPONSIBILITIES

collaborates with Clinical Psychologists and other professionals with regard to the interpretation and utilization of data as it pertains to students diagnosed with disabilities or experiencing academic challenges.
<ul style="list-style-type: none"> Works one-on-one with at-risk student-athletes employing specific individualized learning strategies to enhance academic skill development.
<ul style="list-style-type: none"> Maintains confidential records and historical data.
<ul style="list-style-type: none"> Ensures goals and objectives are met with strict adherence to NCAA, SEC, and Auburn University policies and procedures.
