Auburn University Job Description

Job Title: Instruction Coord, EAGLES
Job Code: CA39
FLSA status: Exempt

Job Summary
Reporting to the Director of the Eagles program, the EAGLES Instruction Coordinator develops, implements, and evaluates student-focused instruction and services for the Education to Accomplish Growth in Life Experiences for Success (EAGLES) program. The EAGLES Instruction Coordinator will be responsible for instructing students with intellectual disabilities. Coordinates and implements the Warm Hearted Individuals Nurturing Great Success (WINGS) peer mentor program to support the EAGLES students while enrolled at Auburn University.

Essential Functions
1. Develops and implements innovative instructional coursework with accompanying content and evaluating materials for EAGLES students.
2. Coordinates, plans, and attends the daily activities for the EAGLES student and peer mentors. The EAGLES Instruction Coordinator will give guidance to the peer mentors to instruct the EAGLES students across all domains of their life while enrolled at Auburn University.
3. Develops and conducts in-service trainings for WINGS peer mentors which includes program design, delivery, and coordination.
4. Advises and meets with EAGLES students to define needs using person-centered planning techniques.
5. Collaborates with Auburn faculty and staff for EAGLES program activities to ensure accommodations and program modifications are in place for full inclusion of the EAGLES students.
6. Assists in the development of marketing plans and publicity materials for distribution to target audience.
7. Develops and maintains the database and/or website related to a specific activity, project, or service for record keeping and program enhancement.
8. Assists in the planning and implementation for EAGLES Program events.
9. Performs other duties as assigned.

Supervisory Responsibility
May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
