Auburn University Job Description

Job Title: First Officer/Sr First Officer
Job Code: EA64
FLSA status: Exempt

Job Summary
Pilots University aircraft as a first officer/sr first officer to provide transportation for official University business.

Essential Functions
1. Serves as a first officer/sr first officer for University aircraft flights by assisting the captain with passenger safety, comfort, and efficient operation of the University aircraft.
2. Preflights aircraft and plans flight in accordance with Federal directives.
3. Reviews current policies governing the safe operation of University aircraft and suggests alternate policies to enhance safety.
4. Performs weekly inspection to assess airworthiness of aircraft, cleans all portions of the aircraft interior and exterior as needed and restocks all consumable items in aircraft.
5. Reviews industry and Federal guidelines for issues that impact University’s aircraft operations and prepares records and maintains records required for compliance.
6. Ensures all charts and approach procedure information is current and available for that flight.

Supervisory Responsibility
May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
