**JOB FAMILY AND FUNCTION**

Job Family:	Financial & Business Operations
Job Function:	Business Administration

**JOB SUMMARY**

Directs and oversees the corporate real estate activities of Auburn University.

**RESPONSIBILITIES**

- Directs the university's corporate real estate activities. Negotiates business terms for the acquisition or disposition of real estate and all off-campus leasing, both as landlord and tenant for the University. Negotiates or supervises the negotiation of the business terms for the disposition of all gift property including real estate received through estate or trust proceedings.
- Selects, recommends and supervises real estate brokers and appraiser, as required, to represent the university in the acquisition or disposition of real estate, in all off-campus leasing and in disposition of gift property.
- Develops and implements policies, procedures and short and long-term strategic plans to enhance departmental operations. Analyzes a variety of real estate data to identify trends, patterns and practices in the market to present information, results and recommendations.
- Obtains and reviews due diligence information for the acquisition of real estate for the university including environmental survey, physical survey, physical condition report, structural engineer report and title report.
- Works collaboratively with other Auburn University entities in connection with the acceptance, acquisition, and disposition of real property gifts, real estate, and off-campus leasing.
- Supervises the administration of all off-campus leases including lease payments, consumer price index (CPI) adjustments and all landlord-tenant issues through the term of the lease and the University's portfolio of mineral interests.
- Supervises the management and administration of the documents of ownership for all related assets and the preparation of a quarterly or semi-annual Real Estate Report
- Oversees all matters pertaining to the university's real property taxes including the filing of the tax exemption documentation and the payment of real property taxes for all University-owned property.
- Serves as technical expert for the university community concerning property sales, development and management operations, services, programs and/or projects.
- Develops and administers department budget, oversees installation, administration, maintenance and continuing development of the department's information processing systems and ensures compatibility with university systems.

**SUPERVISORY RESPONSIBILITIES**

Supervisory Responsibility	May supervise employees but supervision is not the main focus of the job.
