
Auburn University Job Description

Job Title: **Mgr, Facilities Human Resources**

Job Family: No Family

Job Code: **EB64**

Grade HR10 \$54,800 - \$93,200

FLSA status: Exempt

Job Summary

Reporting to the Human Resources Department Head for Auburn University's Facilities Management division, the Manager, Facilities Human Resources manages and administers Facilities Management overall employment processes: staffing, recruitment, and workforce planning strategies, and Facilities Management compensation processes: performance management, pay, merit, reclassifications, reorganizations, and Job Family processes ensuring policies and procedures are aligned with Central Human Resources.

Essential Functions

1. Formulates, recommends, and implements procedures, programs, and initiatives regarding Facilities Employment and Compensation aimed at improving management and compliance within the division as well as increasing the level of customer service offered to the division's workforce by the Facilities Management Human Resources department.
 2. Oversees and manages Facilities Management recruitment processes and activities that support a highly skilled, diverse, and professional workforce including but not limited to full-time, part-time, student, TES, and graduate assistant positions. Monitors the effectiveness of internal employment processes, procedures as well as training hiring managers on legal hiring practices, interview techniques and providing consultation on best practices. Provides oversight for all job postings, recruitments, application reviews, interview processes, and selected candidate materials.
 3. Partners with Facilities Management department heads to evaluate organizational structure and provide recommendations regarding staffing. Oversees reclassification processes for division including but not limited to filled and vacant reclassifications, promotions, and departmental reorganizations. Provides oversight for the Facilities Management position management of the division and stays abreast of the vacant, filled, funded, and unfunded positions within each directorate and department. Collaborates with Central Human Resources to ensure policies and procedures are aligned.
 4. Oversees and manages all Facilities Management processes for performance review (annual, planning, & mid-year), job family promotions, merit increases, and one-time supplements. Collaborates with departmental managers and supervisors to ensure accurate and timely completion of processes and materials, reviews materials, and works with managers and supervisors in effectively using tools and materials provided to them. Conducts training for leadership, managers, and supervisors on materials, resources, and best practices. Continuously gathers feedback used to design and implement initiatives to improve the level of consistency, accuracy, and customer service throughout processes.
 5. Develops and implements projects and initiatives aimed at enhancing the division's ability to accurately and effectively participate in workforce planning, as well as working with Facilities Human Resource Department head to collect and analyze employment metrics and processes and make suggestions on improvements working to streamline and improve customer service.
 6. Supervises multiple Human Resources Generalists and student employees within the department. Serves in the capacity of leadership back-up in absence of the Facilities Management Department Head.
 7. Performs other duties as assigned including HR projects throughout the year.
