JOB SUMMARY

Responsible for the coordination of processes related to benefits data, including but not limited to file feeds, error report processing, vendor and employee coordination and communications, research, problem solving, updating of Banner deduction/earn codes and data audits. This position will serve as the benefit coordinator for the online benefit enrollment system, and other duties as assigned.

RESPONSIBILITIES

- Responsible for the mandatory monthly submissions of the RSA Teacher's Retirement (TR) and Employee's Retirement (ER) enrollment and contribution file feeds. Processes monthly contribution and enrollment files for both TR and ER, to include data account transfers, balancing, and reconciliation of various ledger accounts, requiring research and problem-solving. Communicates with RSA to resolve issues.
- Supports the administration of the online benefit enrollment system to include researching and identifying enrollment errors and performing audits to ensure enterprise systems remain in-sync.
- Responds to requests from internal and external customers regarding estimates and calculations of retirement benefits and dates for employees; verification of employment dates; salary earned and/or explanation of salary earned; verification of existing sick leave balances; as well as certification for overtime earnings.
- Collaborates with Human Resources Information unit and other HR functional areas in regards to systems and employee data.
- Monitors eligibility for specific benefits programs as defined by regulation or legislation. Coordinates with Affordable Care Act (ACA) compliance vendor and RSA to identify and notify employees of eligibility and to coordinate enrollment and other notification processes.
- Actively participates in the development and review of communications to employees regarding various aspects of employee benefits.
- Updates Banner deduction and earn codes, benefits premiums and other Banner fields related to benefits processing.
- Supports and assists in various health and welfare benefits programs. Stays abreast of benefits legislation and trends impacting need for benefits related data or data changes.
- May perform other duties as assigned.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
----------------------------	---
