Auburn University Job Description

Job Title: Mgr, Human Resources COSAM
Job Code: EB93
FLSA status: Exempt
Job Family: Human Resources

Job Summary
Reporting to the Sr. Manager of Human Resources the Manager of Human Resources - COSAM is to provide effective and professional human resources services to all constituents of the College of Sciences and Mathematics. This position is also responsible for managing all foreign national VISA paperwork for COSAM faculty as well as extensions for students. This position will also be responsible for reviewing and forming new policies for the College of Sciences and Mathematics ensuring policies are up-to-date and align with COSAM and Auburn Universities life cycle.

Essential Functions

1. This position is responsible for the management of all faculty, staff, and student hiring in the College of Sciences and Mathematics from beginning to end. This includes managing the university's current applicant tracking system PeopleAdmin. Oversees creating and managing all postings for faculty and staff employees as well as reviewing and approving all postings for undergraduate students, graduate students, and TES employees. Additionally this position will be responsible for preparing and finalizing all hiring proposals including salary negotiations for staff positions.

2. Responsible for overseeing and conducting search committee trainings for faculty searches as well as full-time staff search committees.

3. Manages and assists with employee relation issues for COSAM. This position works closely with supervisors and managers to ensure that the resolution of employee relation issues are resolved. By providing guidance and advice to ensure that proper policies and procedures are followed, correct documentation is provided, and appropriate actions are carried out whether that be drafting a performance improvement plan or the proper dismissal of an employee.

4. Responsible for the performance management process for COSAM and communicates with each supervisor in the college to provide information on proper performance management processes. This position will review all performance evaluations to ensure accuracy and the proper evaluation of employees that may need coaching based on their review. Ensures that all require signatures are obtained and reviews are submitted to AUHR in a timely fashion.

5. Serves as a subject matter expert on the AUHR Policies and Procedures as well as assists in composition of new policies and procedures for COSAM relating to Human Resources functions.

6. Supervises the HR Assistant and additional HR staff within the College of Sciences and Mathematics.

7. Manages and assists staff with all classification and compensation related issues such as reclassifications of positions and extra compensation. This may include assisting supervisors or administrators with classifying a position correctly and ensuring all required documents are accurate prior to sending to AUHR. This will also include submitting additional compensation forms to AU Compensation such as UPO-10's, HR12's, Special Pays, and Out of Class pay information.

8. Responsible for managing professorships, endowments, and awards for COSAM. This position is also assigned with reviewing and approving all ePAFs for faculty, staff, undergraduate students, and graduate student for COSAM.
