| Job Function: | Risk Management           |

#### **JOB SUMMARY**

Reporting to the University Risk Manager, this position has responsibility for providing assistance and technical support with the administration of the university's commercial property and casualty insurance programs, self-insured programs, and loss control and loss prevention programs. Specialist provides oversight and evaluation of On-the-Job Injury, Property, Casualty, and other types of claims and recommends solutions that minimize cost and ensures compliance with relevant policies and procedures.

#### **RESPONSIBILITIES**

- Assists with the design, selection, purchase, and management of the university's risk financing program.
- Coordinates commercial insurance program including preparing marketing submissions, negotiating renewals, managing endorsements, calculating insurance expense allocations, maintaining insurance schedules, and reporting financial information.
- Provides comprehensive and technical review of all insurance documents (policies, endorsements, certificate
  of insurance) to ensure accuracy, identify gaps in coverage, and/or need for additional risk financing or loss
  control measures.
- Identifies and analyzes risk exposures. Priorities, prepares, and implements effective risk controls or risk elimination measures.
- Provides advice and guidance campus-wide to University officials, administrators, faculty, and staff on the
  interpretation and application of the university's insurance policies, loss control procedures and related
  regulations. Develops and provides training/educational programs to disseminate this information to the
  University community.
- Provides service to various campus stakeholders by reviewing non-insurance documents such as Professional Service Contracts, Affiliation Agreements, and other contracts to mitigate risks by recommending appropriate insurance limits, hold harmless, and indemnity agreements.
- Partners with the university's Third-Party Administrator, Legal Counsel, and/or Insurance Companies to response, process, and settle claims and other legal filings presented to the university.
- Gathers and compiles data in the Risk Management Information System; prepares financial documents, reports, and budgets.
- Serves on university committees to provide input towards planning, decision-making, and actions that affect the university.

#### SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
