
Auburn University Job Description

Job Title: **Dir, Risk Mgmt & Insurance**
Job Code: **EE08**
FLSA status: Exempt

Job Family: No Family
Grade 39: \$90,800 - \$151,300

Job Summary

Directs University Risk Management and Insurance Programs.

Essential Functions

1. Provides strategic direction in the development and administration of a comprehensive short and long range risk management program to identify, analyze, and respond to risk exposures.
2. Negotiate and procures insurance ensuring appropriate terms, conditions, pricing, and coverage; develops alternative risk financing, risk transfer, and risk control.
3. Provides guidance and advises university administrators and employees on liability and insurance issues.
4. Monitors contractors and third parties to ensure compliance with contractual provisions and obligations related to risk management.
5. Administers and controls cost of Auburn's self-insured on-the-job injury program, including overseeing third party administrators.
6. Oversees accident investigations related to Auburn's self-insured program to determine university liability and insurance coverage available.
7. Oversees claims and lawsuits by analyzing insurance policies for coverage, recommending possible resolutions, and facilitating insurance submissions and payments.
8. Oversees the Risk Management Information System including selecting software, negotiating terms and features, and periodically reviewing system to ensure that it meets the needs of the University.

Supervisory Responsibility

Supervises others with full supervisory responsibility.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
