JOB SUMMARY

Performs duties providing professional expertise for a variety of environmental compliance services for Moore, Georgia. Areas of specialization: Hazardous Waste Management, Non-RCRA waste, Clean Water Act Compliance, Clean Air Act compliance and Storage Tank Management.

RESPONSIBILITIES

- Conducts and performs site surveys, assessments, inspections and evaluations to ensure regulated facilities and unit or activities are properly managing environmental features of concern. Provides technical guidance to the Ft. Benning and Auburn University community in relation to specialized area.
- Develops safety programs to ensure site maintains continuous state of compliance, including, federal, state, local and university regulations. Recommends control measures when needed.
- Provides periodic, annual. Or comprehensive reports for each site visit and the results of such assessments for review, evaluation, and corrective action. Maintain a database of all site visits, inspections, including specific information of the facility, point of contact information, inspection reports, and any other environmental requirements.
- Proactively seeks new ways to improve overall safety and environmental performance. Recommends actions and solutions for resolving and preventing violations.
- Designs, conducts, and coordinates training and education in area of specialization.
- May participate in the chemical and/or hazardous materials emergency response team. Assists with spill cleanup, report spill to proper point of contacts, and file spill reports both internally and externally.
- May perform other duties as assigned.
