Auburn University Job Description

Job Title: Eniv Health & Safety Trainer
Job Code: EE27
FLSA status: Exempt

Job Family: No Family
Grade LC09 $48,700 - $82,800

Job Summary
Develops, coordinates, and delivers training programs for employee development activities for staff related to environmental health and safety.

Essential Functions

1. Prepares, organizes, and conducts health and safety training educational and staff development programs. Analyzes training needs to develop new training programs and/or modifies and improves existing programs. Responsible for maximizing training effectiveness through collaboration with supervisors and subject matter experts.

2. Leads safety training modules, hands on demonstrations and monitors the effectiveness of this training.

3. Manages the training program to include setting goals as well as tracking, selecting, and managing training partnerships. Meets with supervisors and subject matter experts to define goals, tracks, progress towards goals, and evaluates outcomes.

4. Creates and manages training processes and procedures. Develops training project plans and manages established timelines and budgets for the development and delivery of training.

5. Responsible for measuring the impact and effectiveness of training programs through various methods such as employee surveys, employee and supervisor interviews, and job shadowing to evaluate training application on the job. Provides recommendations for skills and knowledge retention and measurements to drive connection between training and organizational skills.

6. Provides relevant training metrics for training programs throughout the year including reports summarizing number of attendees, evaluation feedback, training by hours, training by specialty, number of trainings held, etc.

7. May perform other duties as assigned such as drafting inspection reports to document inspection findings, monitors compliance with safety procedures, etc.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
