JOB FAMILY AND FUNCTION

Job Family:	Financial & Business Operations
Job Function:	Business Administration

JOB SUMMARY

Directs, administers, and oversees fiscal and business operations of the College of Engineering.

RESPONSIBILITIES

- Exercises primary responsibility over the accounting, reporting, budgeting, and monitoring of all financial matters within the College of Engineering, including all funding and expenditures activities as well as the review and approval of contract and grant research proposals.
- Prepares and monitors the operating budget for the College of Engineering and provides financial reporting and analysis for funding activities, business operations, and project accounting.
- Advises and assists management officials on complex fiscal matters, budget considerations, transfer of funds, and other fiscal matters related to the College of Engineering, including extramural funding.
- Develops and implements fiscal policies and procedures which ensure that generally accepted accounting principles, regulations governing grants, proposals, and other contractual agreements, Federal and State regulations, and Auburn University guidelines are employed.
- Oversees human resources activities for the College of Engineering.
- Assists with strategic planning, organizational analysis, and business development.
- Provides financial planning and oversight for special events and research programs.
- Serves as financial manager for all engineering building projects and infrastructure.
- Serves as a central operations manager, ensuring day-to-day operations run smoothly and efficiently.
