### JOB FAMILY AND FUNCTION

Job Family:	Veterinary & Animal Care
Job Function:	Patient Care & Rehabilitation

### JOB SUMMARY

Provides rehabilitative care to raptors at the Auburn University Raptor Center (AURC).

### RESPONSIBILITIES

- Provides and assists with veterinary technical support and medical care for raptors under the directions of the veterinary staff.
- Collaborates with the Education Unit of the raptor center to schedule and assist with the annual examination, treatment, and ongoing medical care for the educational raptor collection.
- Assists in the direction, supervision, and recruitment of volunteers for the Rehabilitation Unit of the raptor center.
- Instructs veterinary students and volunteers in the proper handling, restraining, and triaging of raptors.
- Participates in lectures, presentations, programs, and research efforts relating to the raptor center.
- Communicates with state and federal wildlife agencies and raptor center personnel on matters relating to various professional association requirements and policies.
- May periodically update sections of the raptor center website.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

### SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May supervise employees but supervision is not the main focus of the job.
