JOB FAMILY AND FUNCTION

Job Family:	Veterinary & Animal Care
Job Function:	Animal Training

JOB SUMMARY

Manages, supervises, and oversees the daily operations of the Raptor Education Unit, including, but not limited to, raptor training, husbandry, and instruction.

RESPONSIBILITIES

- Oversees the delivery of raptor educational programs to include, but are not limited to, student and staff handler training, training of raptors, program development, and implementation, and all other outreach efforts.
- Ensures the safety of all participating in on-site programs and those attending off-site educational presentations.
- Ensures that adequate recruiting and retention occur to maintain an adequate volunteer corps for the operational needs of the unit.
- Maintains the unit's operational readiness through proper mentorship and succession planning. Manages the collection, analysis, and compilation of samples and data related to the center's raptor collection.
- Oversees and ensures proper maintenance of educational facilities, equipment, and falconry equipment.
- Works with the center's director and administrative coordinator on all necessary administrative functions including, but not limited to, budget development, procurement, and inventory. Also directly manages the unit's staff-related needs such as scheduling and training management.
- Manages the center's Resident Raptor Collection including, but not limited to, identification, selection, and acquisition of new raptors, oversees all husbandry and health care needs, makes recommendations on housing and facility needs, and ensures policy, procedure, guidelines, and best practices are followed.
- Promotes the Raptor Center, the College of Veterinary Medicine, and Auburn University through various public relations activities and assists with the center's marketing efforts.
- Travels as needed for off-site presentations and demonstrations.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
