Auburn University Job Description

Job Title: Mgr, Laboratory Teaching
Job Code: HC26
FLSA status: Exempt

Job Summary
Responsible for the management of instructional laboratory or classroom services to include oversight of operations, budget, planning and development, and personnel management.

Essential Functions
1. Directs the instructional lab program for students to include conveying technical information to those enrolled in or teaching labs.
2. Supervises the facilities physical inventory to include (but not limited to) counting, stocking, ordering, and compiling list of frequently used supplies and equipment.
3. Trains, directs, and supervises subordinate staff and teaching assistants.
4. Ensures high levels of safety and efficiency of lab operations and provides security of equipment.
5. Advises on equipment evaluation and selection for lab facility requirements.
6. Conducts tours and demonstrations for industry constituents, students, and visitors.
7. Coordinates preventative and corrective maintenance for lab facilities and equipment.

Supervisory Responsibility
May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
