
Auburn University Job Description

Job Title: **Supv, Barns**

Job Family: No Family

Job Code: **IA27**

Grade 31: \$31,300 - \$52,100

FLSA status: Non-exempt

Job Summary

Responsible for supervising a team of employees performing routine animal care for a variety of large and farm animal species.

Essential Functions

1. Supervises and participates in the daily animal care operations and maintenance of an animal care and holding complex for a variety of large and farm animal species that supports veterinary medicine teaching, research, and treatment programs. Assigns tasks and ensures work is performed appropriately.
2. Informs manager or department head of work progress, present and potential problems, and makes suggestions for new or improved ways of addressing problems.
3. Assists the director in planning and deciding protocols pertaining to the facilities, supplies, animal health or care operations, and employees.
4. Performs other related duties as assigned.

Supervisory Responsibility

Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
